

Dear Hiring Manager,

I am writing to express my interest in the Applications Programmer position at the University of Michigan, as advertised on the University of Michigan Careers website.

With over a decade of dedicated customer service experience, I bring a unique blend of user-centric focus and robust technical proficiency to the role. My skills are rigorously validated by industry-leading certifications, including **CompTIA A+, Security+, Network+, Project+, CySA+**, while demonstrating a strong foundation in IT service management principles with **ITIL v4**. While adding practical knowledge in **Wireshark** for network troubleshooting, which allows me to efficiently diagnose and resolve complex IT issues.

I am particularly drawn to the University of Michigan's renowned commitment to excellence, both regionally and nationally. I am confident that my analytical abilities, combined with my extensive customer service orientation, align perfectly with your team's needs.

My resume, attached for your convenience, provides further details on my qualifications and accomplishments. Thank you for your time and consideration. I welcome the opportunity to discuss how I can become a valuable asset to your team.

Sincerely,
Andrew Burghardt
